JAGDISH PUBLIC SCHOOL

Dear Parents,

Greetings!!

We are all set to begin the first chapter at Jagdish Public School, Gauri Shriram. We are excited to welcome our students to the campus for the new academic session starting April 11, 2022 (Monday).

Knowing the challenges faced by our community in the last two years, we have been working hard to ensure quality in imparting education to our upcoming students in a much better way.

The campus is waiting for the usual hustle-bustle with students bubbling in corridors.

All the required proactive measures are being followed to ensure that students are always safe and sound within the premises. Teachers, staff and support staff are fully vaccinated.

We believe in the strength and resilience of our community and we are confident that together we will be stronger than ever.

Transport related information will be shared soon.

Let's join hands together to give our children a chance to return to their normal school life with Jagdish Public School, Gauri Shriram.

Thanks & regards,

Jagdish Public School, Gauri Shriram
